Visitor survey

Thank you for your help with our survey on behalf of the North Devon Biosphere. Our aim is to understand what you want from a holiday in the Biosphere, especially in relation to the accommodation and the special features of North Devon with special consideration of your opinion about the environment.

The North Devon Biosphere is an area where people work to balance the conservation of biodiversity with its sustainable use. As you can see from the map, this is the area where you are now filling in this questionnaire.

Your responses will be treated in absolute confidence.
